Message from the President

I would like to welcome back our Dart Leagues, The Rangers and the Kinsmen and hope you all will have a good year enjoying the facilities at the Wing if for any reason something goes wrong or you have complaints please feel free to contact me.

Things are looking great financially we are once again in an profitable position since our new yera-end started on July 1st, my thanks goes out to members of the executive and Wing members who stepped up and donated funds to make this financial situation we had into a great step forward for our Wing. We will be having our General Financial Wing meeting on October 30th at 7 PM please plan to attend and hear the good news.

If you haven't noticed our Sabre at the Zoo is in terrible shape, decals have faded etc. Pierre Brunet and Bob Ough are in the process of getting this rectified, we were planning on doing a decal make over this year but this only has a 2 year grantee, the executive is in the process of getting a fundraiser together to update the Sabre in the Spring of 2019 we plan to refurbish the Sabre at a cost of \$4000 plus, this will also be discussed at the General Meeting the executive have some ideas and want to discuss it with the Wing Members.

You have seen a different approach to Wing hours in September and the rest of the winter as the executive is trying to reduce costs and make the Wing viable. The Wing hours have changed to the following Monday 6-10, Tuesday 3-7, Wednesday 3-10 on Kinsmen nights, 3-6 other, Thursday 3-10, Friday 1-10, Saturday 1-5.

I invite members, spouses and friends to get involved in your Wing by volunteering to assist in committee activities or give feedback to make them better, if you are interested please let me know.

The BATTLE OF BRITAIN Parade on Sunday September 16th was a success thanks go out to Dale Walker and his helpers for a job well done and also to CO Matt Veals and the cadets it would not have been a success without you.

The Wing executive had to cancel the initiation day for all new members on September 22nd but you will be invited to be sworn in on October 30th at 7 PM all new members who have not been swore in please plan to attend.

In closing I wish everone a Merry Christmas and the best fot the new Year.

2nd Vice President Report

On Sept 16th at 1pm we celebrated the battle of Brittan at the war memorial, with prayers, and laying of the wreaths. The cadet band played O Canada, God save the Queen / last post . The lament was played by Colin Campbell after the ceremony. I payed the piper and then we all went back to the Wing for refreshments.

On Oct 13th we had a very successful Mess Dinner. I heard several good comments about how wonderful the tables looked, the glasses silverware, table cloths, and flags looked. I send many thanks to Janet Vivian and Agnus for a job well done. The ladies prepared a beautiful meal. I also want to give thanks to, Thelma, Dalena, Jodie and Doreen came on board to help our loan cadet Vincent Ngo to serve the meal. There was comic relief by Pierre. Toasts were done by : Dale, Anita, Bill, Ken and Pierre.

Our guest speaker John Russett gave another wonderful speech as he did last year. I also like to thank all that attended.

Dale Walker 2nd Vice President.

Padre's Pulpit – Greetings

Well it is over two years since I started doing the Padre's position at 428 Wing. I have enjoyed being in that position and learn much of our history of the Air Force of Canada. It has been a time of enjoyment and looking forward to continue enjoying my time at the 428 Wing in Peterborough. Ontario.

We are starting into a season of annual events that happen each year during the next few months.

There were people out at the annual Battle of Britain celebration. I was glad to see younger people also.

As padre I encourage each person to bring their family and friends to take part in the annual Public gatherings and celebrate all the events that remind us of our freedom in Canada.

We need to find ways to educate especially those attending our learning places of education. The younger generation want to learn the reasons for annual celebrations of the different battles that has provided freedom in our great country call Canada. It is up to us that the younger and new Canadians hear and take part of each celebration.

I am pleased that there is new members, and inquiries to join 428 Air Force Club.

The season has begun to cool off and shortly we will be seeing some of our faithful heading to warmer places. It is my desire and prayer they have a safe trip and enjoy the stay where it is warmer and return full of good health in the spring. They will be full of energy and ready to contribute into the local 428 Air Force Wing Club. We are thankful for the many hours each give while they are here in the area of Peterborough Ontario.

Let us remember each of us need to change our attitudes from time to time and be willing to accept each person's culture and abilities and disabilities. We need to adopt different cultures which are coming our way. Yes preserve a Canadian culture permitting others cultures to have and enjoy the freedom which many gave their time energy and life to maintain. I personally am indebted to our men and ladies who were often young and want to keep the freedom we enjoy today. I have heard many say we take it for granted today. Men and ladies giving and often receiving little so we can enjoy freedom here in The Land Of Canada today. Thank You So much!

Again I am reminded that the Air Force had a strong part in what we enjoy today and often take it for granted! Again I will close with the following: Remember laughter brings good health into our life.

Being a friend is a valued part of the Canadian Culture. Let us not forget!

I came across the following the other day

- a) A lady to a friend – in those days he was wiser than he is now – Why because He used to frequently take my advice!
- b) Please note the following: Offering good advice may be good and grand, but it's not the same as a helping hand.
- c) Question Asked: Just one question was ask three people. Recently a teacher, a garbage collector, and a lawyer wound up together at the pearly Gates / St. Peter informed them that they had to answer one question to enter.

The teacher was asked, "What was the name of the ship that crashed into the iceberg? "Titanic" That let Him through the gate.

Turning to the garbage man how many people died on the ship? He quickly answered about 1,500. Peter said You may enter St. Peter turn to the One left and said. "Name them."

- d) title: A Guest For Dinner "A Foot in mouth moment" – Early in our marriage, a lifelong friend of my wife came to dinner. In the course of the meal, she broke a fork in half. "Don't worry Helen, I reassured her. It is a cheap set." His wife turned to him and exclaimed, "Honey" Helen gave us that set as a Wedding gift. Enough said at this time. May you all enjoy each moment of life and be blessed.

Air Cadets

Message from the Commanding Officer

534 Air Cadets is off to another tremendous start this training year. We welcome back all the cadets and staff, as well as our League Sponsors, 428 Wing, and the Kinsmen Club.

I would like take a moment and thank our outgoing Commanding Officer, Captain Neil DePass, for all his hard work and dedication over the past three years. Neil will be transferring to a unit closer to his hometown.

We have had another round of successful cadet summer training this past July and August. We have 2 new glider pilots at the unit, and 2 new power pilots as well. The Squadron was represented well, with 5 cadets in senior staffing positions, across 3 Ontario cadet training centers. Over 20 cadets successfully completed summer training on various courses, from 2 weeks up to 6 weeks in length.

With the return to our fall training session, we have already recruited 25 new members to the squadron.

We have completed a very successful Fall Field Training exercise at the Warsaw Caves, which saw our largest turnout to date. We continue to build on the changes implemented to our training the previous year. We looking forward to another successful Tag Days fundraiser, our annual Halloween event at the local Escape Maze, and our fall flying activities, both power familiarization flying and gliding.

Soon we will be starting our parades season, with Remembrance Day fast approaching, and Christmas Parades starting shortly thereafter.

I would like to take a moment, to invite you to drop in on one of our Monday nights, to see all the activities that the cadets are involved in.
